6-Apr-08

Dear Phil,

We would like to thank you for the wonderful work you have done for our business. We have had such a positive response to our web site, with our quotation numbers tripling within just a couple of months of it up and running. We found you to be very attentive to our specific needs and wants and extremely efficient with all tasks. The way you are pro-active with contacting us to make sure we have our site up to date with all our latest work is very comforting. Be assured we have no hesitations in recommending you to other businesses large and small.

We cannot thank you enough for your professionalism and look forward to working with you in the future as our business grows.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "P. Stanton", with a long horizontal flourish extending to the right.

Paul Stanton.
